

Review on the text-research on the Xingfa Zhi

Zhao, Jing*

Abstract

Since the 20th century, researches on the Xingfa Zhi by scholars in home and abroad can be divided into three kinds that are the collation, the translation and annotation, and the analysis of the formation of texts, of which the achievements are plentiful. We should revalue the Xingfa Zhi and develop new topics with the consciousness of historical writing in the future.

Keywords: Xingfa Zhi, Collation, Translation and annotation, Analysis of the formation of texts
