

Endless Calls from the Folk——
Dai Yan-Hui's Works on Popular Legal History,
The Gi-le chi, Report of Civil Customs in Taiwan,
and District Institutions of the Qing Dynasty

Yeh Kuang-Chou

As primaries of both Chinese legal history and family law's areas, there were extensive publications explored in Professor Dai Yan-hui's contributions about "Tang code" and " Danshui Xinzhu Archives ".But here plan to focus from a round of essays called "Gi-Le "published on the "Folk Taiwan" magazine to other books which concerned about civil customs, family relations ,and actual operations in Taiwan, of the legal and political institutions in Qing Dynasty . Expecting to show Dai's "folk dresses" by digesting those were unfamiliar with us before.
